

IFA Beach Hotel Bellevue ★★★★★

The 4 star IFA Beach Hotel Bellevue is on the northern end of Sunny Beach and is just the other side of a narrow beach promenade from the beach.

There is a wonderful view over the Black Sea. There are many opportunities for water sports from the beach and excellent bathing. The IFA Beach Hotel Bellevue is central and yet quiet.

It is only a few minutes to the historic sights. The old town of Nessebar, a UNESCO World Cultural Site is only a few minutes away.

The hotel has a wide-ranging offer of sports, a massage practice and billiards. There is also a doctor and hairdresser.

Enjoy the summer days at the pool with its integrated children's area and relax on one of sun loungers at the swimming pool.
